21-Jan-2023	TFEX Market Rehearsal 4
28-Jan-2023	TFEX Market Rehearsal 5
01-Apr-2023	TFEX Market Rehearsal 6

## FAQ

Do TFEX_DEV connections need to be disabled after MR?	It is acceptable for Customers to leave their TFEX_DEV connections set to "Enabled" = True. TFEX_DEV services will not be up and running outside of Market Rehearsal hours.
Will it be necessary to recreate TFEX_DEV Risk Limits for each MR date?	Risk parameters created on 14-Jan will persist throughout the remainder of the MR test period.
